# Providing Wraparound Supports

- PACEM provides 24/7 staffing to ensure safety of guests by implementing best practices, providing friendly service, and cultivating supportive relationships
- Each guest at Premier Circle is assigned a case manager to assist them with overcoming barriers to housing including applying for benefits, obtaining identification, coordinating medical care, and much more.
- UVA's School of Medicine first-years, BSW candidates from JMU, and MSW candidates from VCU provide meaningful social activities and supports for the PACEM team and guests.

# In Partnership with the Community

- Piedmont Housing Alliance assists with facilities management, everything from mowing lawns to changing light bulbs and fixing the machinery that keeps this place running.
- UVA's School of Medicine provides our guests with on-site weekly navigation and bi-weekly physical and mental healthcare clinics.
- Legaci Eats and PACEM partners including Wolf's Fixin's, Skrimp Shack, Mel's Café, The Red Lantern, Firehouse Subs, Jimmy John's, and Domino's ensure our guests a hearty dinner every night.
- Meals on Wheels, Loaves & Fishes, Cou Cou Rachou, Church of the Incarnation and other providers supplement our nightly meal service.

# Working to Get Our Guests *Home*...

- PACEM's team of five skilled case managers scour the housing market for opportunities for guests to leave our shelter successfully.
- We work with Region Ten CSB, Charlottesville City, Albemarle County, Virginia Supportive Housing, The Haven, and other subsidy providers to supplement our guests' ability to pay rent for these units.
- **Help us expand our collaborations** with housing providers, employers, and other agencies to ensure the best opportunities for our guests! Email [info@pacemshelter.org](mailto:info@pacemshelter.org) to connect with our staff.
